

GOZO TECH DIVING

LEADING TECHNICAL TRAINING FACILITY

Our experienced technical diving instructors will take you to one of Gozo, Malta and Comino's many world-class wrecks, caves and deeper sites. Enjoy the added safety of pre-dive planning, technical guidance and technical safety divers when needed. We can arrange your transportation from your accommodation to the dive center and back for €20/day

Please note: Technical dive rates include the hire of a Twinset/Sidemount/CCR Cylinders but DOES NOT include the gas (Please refer to the Technical Equipment and Gas Fills price list). The price also includes weights, facility use (washing/storage) and accompanied/guided dive with transport to shore based dives in Gozo. Additional equipment rent, boat or ferry fees are not included. For Extended Range & Trimix dives, cost of the guide gases are charged to Technical Divers being guided. Unguided divers facility use per diver per day €10 (water, electricity, storage, CCR room)
